### **PUBLIC NOTICE**

#### **To Construct a Stormwater Outfall by La Rabida Children's Hospital, in Lake Michigan, in the City of Chicago, in Cook County**

La Rabida Children's Hospital 6501 S. Promontory Drive, Chicago, IL 60649 has applied for an Illinois Department of Natural Resources, Office of Water Resources' (IDNR/OWR) Permit to construct a stormwater outfall in Lake Michigan at 6501 S. Promontory Drive, Chicago, Illinois 60649.

The applicant's engineering drawings show that the proposed outfall will be constructed using a 12 inch diameter ductile iron pipe buried in an existing shore parallel stone revetment. The outfalls invert elevation will be 4.38 Chicago City Datum. The pipe will be placed in a trench dug in the existing stone revetment. After the pipe has been placed the trench will then be backfilled and covered with the existing revetment stone removed during the trenching. The purpose of the proposed project is to drain the roof of an Ambulatory Care facility and a landscaped healing garden area. A location map and plans are attached to this notice.

**No work is to start on this project unless and until such a time that the permit is issued.**

Plans for the work may be seen at the IDNR/OWR, Chicago Office, Michael A. Bilandic Building, 160 N. LaSalle Street, Suite S-703, Chicago, Illinois 60601. Inquires and requests to review the plans may be directed to Jim Casey of the Chicago Office at (312) 793-5947.

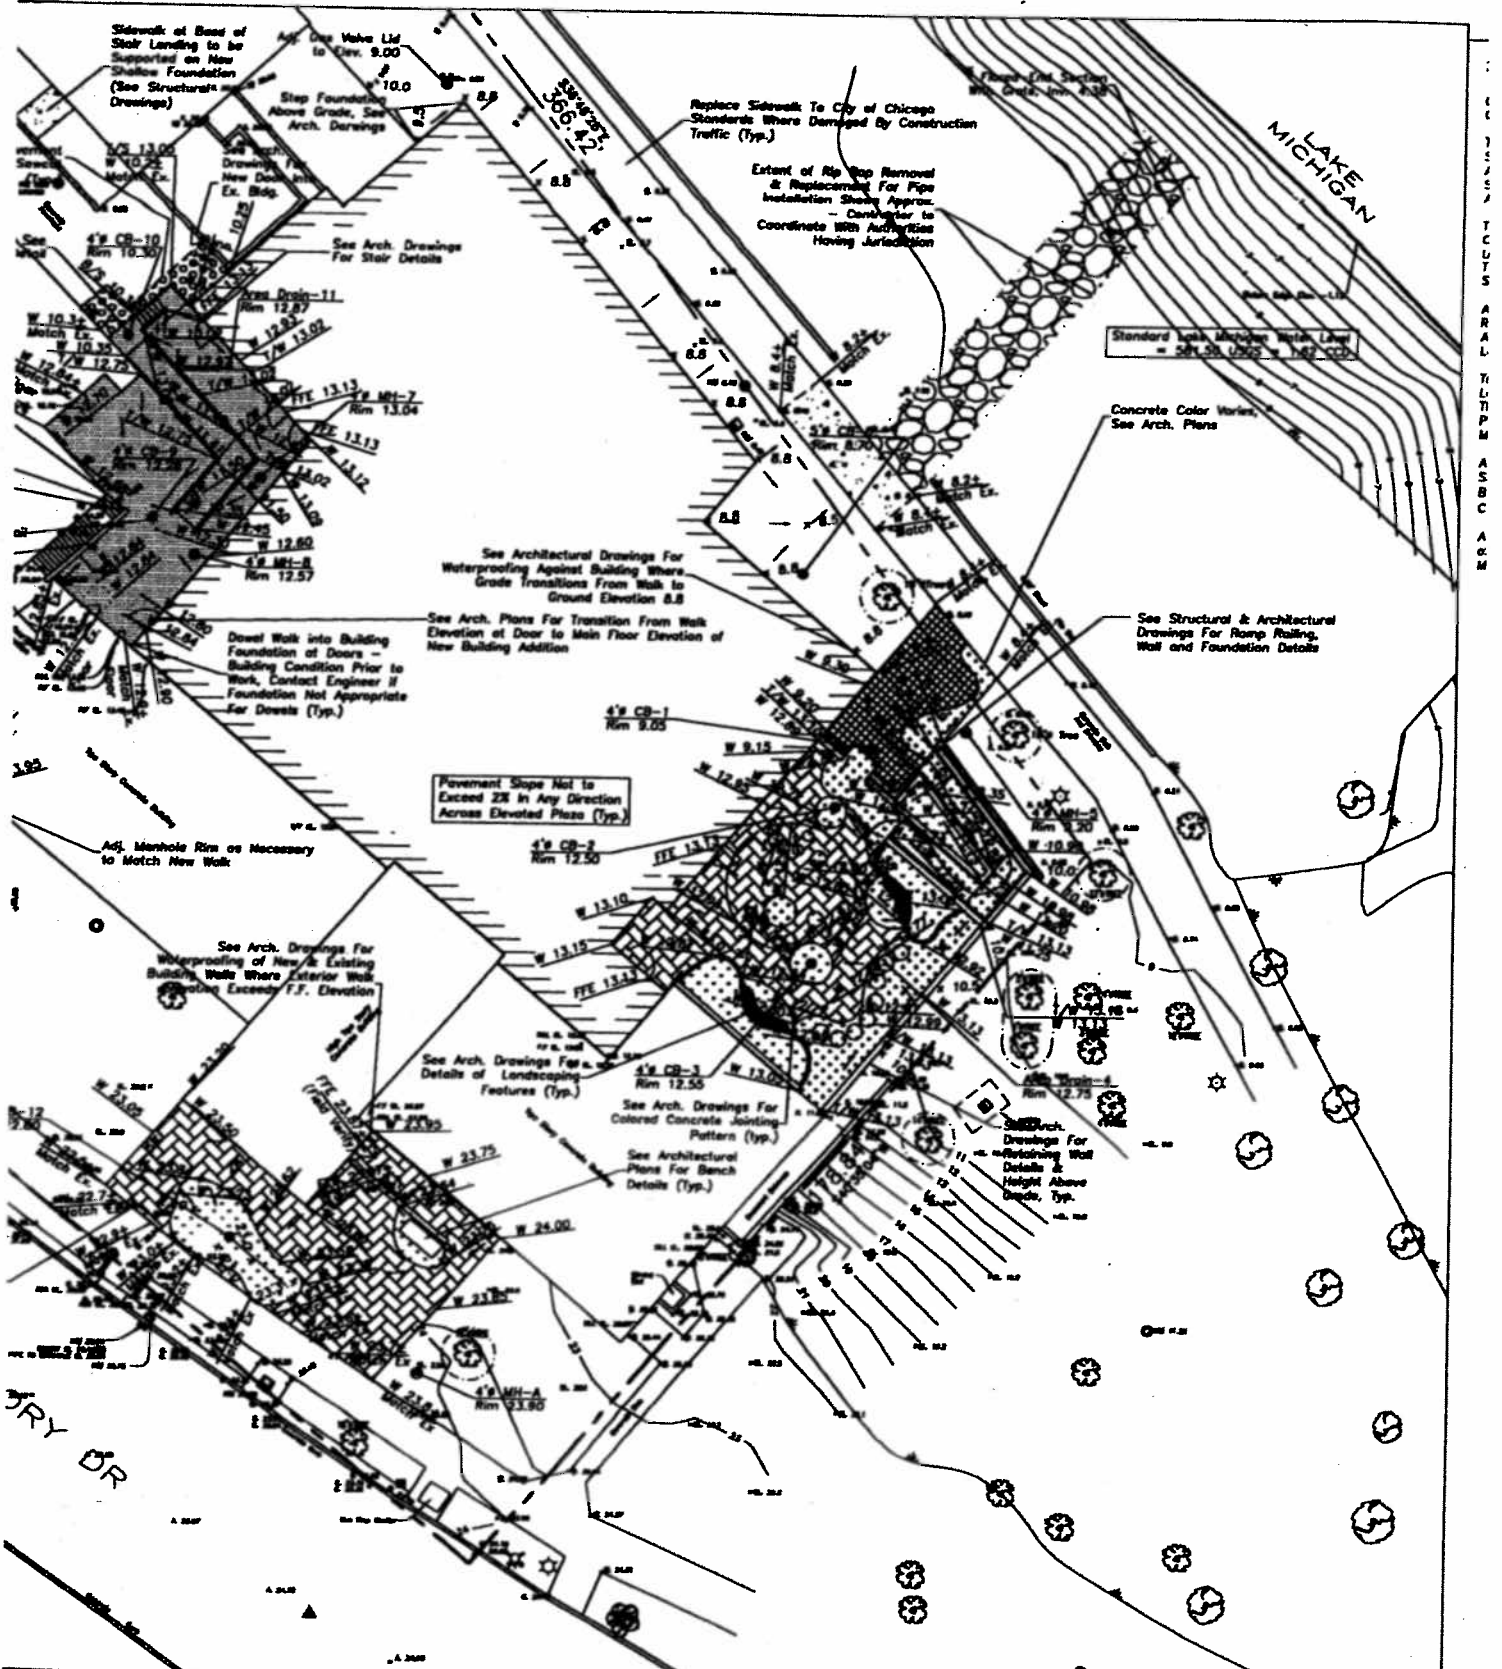

You are invited to send written comments regarding the work to the Chicago Office by October 5, 2012.
